

WORD FROM THE EDITOR – REUNIR V. 14, N. 3, 2023

Dear reader, I present the third edition of volume 14 of **REUNIR: Journal of Administration, Accounting and Sustainability**. I would like to thank the reviewers of the articles, who demonstrated dedication to meeting deadlines and providing quality in their reports. I would like to thank the authors of the nine published articles for their dedication in preparing their papers and improving them after the reviewers' evaluation.

In this edition, REUNIR offers a variety of studies that cover aspects of Administration, Accounting and Sustainability in Brazil. They are:

Rural electrification and socioeconomic development: an analysis of the “Light for All” Program in Quilombo do Pacoval, in the municipality of Alenquer, Pará, Brazil (2010-2022)

Kilce Maiana Sousa da Cruz, Jorgiene dos Santos Oliveira, Felipe de Lima Bandeira

Party political cycle and the generation of own revenues in the states of the Brazilian Northeast

Felipe Henrique da Silva Santana, Sandra Cristina Silva Drummond Dias, Maurício Corrêa da Silva, Anderson Luiz Rezende Mol

Circular management of urban solid waste in Brazil: an analysis of government documents and reports

Luiza Raquel Carvalho de Andrade, Nadya Regina Galo

Critical review of the literature on careers in accounting in Brazil: a constructionist dialogue

Iago França Lopes, Levy Ruanderson Ferreira da Silva, Alison Martins Meurer

The necrocapitalism of the niobium mining industry

Ana Flávia Martins de Lima, Cintia Rodrigues de Oliveira Medeiros

Entrepreneurial universities: a bibliometric analysis between 1998-2023

Nathalia Ellen Silva Bezerra, Vinicius Farias Moreira, Vorster Queiroga Alves

Brand Congruence with Veganism and Humanized Discourse in the Consumption of Vegan Fast Food

Grasiele da Silva Clemente, Marconi Freitas da Costa, Joina Ijuniclair Arruda Silva dos Santos

Determinants of the Level of Financial Literacy in the University Context

Maria Gabriela Pabis, Antônio João Hocayen da Silva

“Seeing is Believing”: The Importance of Proof of Concept in Projects with Robots

Renan Rubim de Castro Souza, Cristiane Drebes Pedron

I wish you an excellent reading.

Sousa - Paraíba, Brazil, October 25, 2024.

Dr. Thales Fabricio da Costa e Silva

Associate Editor

ACKNOWLEDGMENTS

The Editorial Board of **REUNIR: Journal of Administration, Accounting and Sustainability** would like to take this opportunity to thank all the reviewers who have collaborated since the last regular edition until the closing of this work. Everyone's contribution is of great importance to the quality and excellence of REUNIR.
